LUXURY KENYAN SAFARI FOR LESS WITH &BEYOND October 2015

If you've been dreaming of enjoying the ultimate [Kenyan safari](#), you can now embark on a traditional Kenyan safari adventure for 15% less with the [Fly me to Kenya](#) special offer from top experiential travel company &Beyond.

Ideal for wildlife, photographic and cultural enthusiasts, this exceptional Kenyan safari offers the chance to combine the iconic [Masai Mara](#) with another of the country's magnificent safari destinations while saving up to USD 700 per person.

The [Kenyan tour](#) begins in the country's capital of Nairobi, where travellers can kick off their safari with close-up animal interactions at the charming Giraffe Manor. A semi-domesticated herd of giraffe wanders the property, entertaining guests with their antics over breakfast, when they have made it a habit to stick their heads into the manor's dining room, investigating the tasty selection of treats on offer.

From here, adventurers travel off the beaten track to the relatively unknown Laikipia Plateau or the Samburu National Park. Boasting one of the largest elephant populations in East Africa, the Laikipia Plateau stretches from the slopes of Mount Kenya to the rim of the Great Rift Valley. In addition to the usual game drives, a safari here offers guided walks, horseback safaris and an optional helicopter flight around Mount Kenya. Situated on the banks of the Ewaso Ngiro River, the Samburu National Reserve offers exceptional game viewing in one of Kenya's less-visited safari regions. This remote region offers opportunities for fly camping, guided walks and camel safaris, amongst others.

Following the safari in north Kenya, the tour continues in the famed Masai Mara, site of East Africa's Great Wildebeest Migration, as well as exceptional year-round wildlife. Here guests will stay at [&Beyond Kichwa Tembo Tented Camp](#), where live footage of huge wildebeest herds was recently filmed and broadcast live via the Periscope App (<https://www.periscope.tv>) and YouTube Live Streaming in partnership with #MakeitKenya.

This luxury [Kenya safari](#), which includes seven nights' accommodation at some of the country's top safari lodges and camps, as well as all wildlife activities and flights between camps, is now available at 15% less, starting from just USD 4 004 per person sharing.

The Kenyan safari special offer rounds off &Beyond's range of luxury African safaris for less, which also includes:
