andBeyond Mnemba Island, Tanzania

The sparkling white sands and turquoise waters of the Indian Ocean surround the ten rustic chic villas of [this petite island resort](#) off the northern coast of Zanzibar. Thanks to a distinctive open-air design with limited wall space and glassless “windows”, the sights and sounds of the beach are always present. Take one (or all) of the three daily snorkeling trips for a chance to swim with the wild dolphins that inhabit this dreamscape.
