Photo Safari

Photos, the treasured memoirs of a safari, are the focus of **ANDBEYOND's** just-launched program at four luxury camps in East Africa (Kichwa Tembo Tented Camp and Bateleur Camp in Kenya, and Grumeti Serengeti Tented Camp and Serengeti Under Canvas in Tanzania). Guests can borrow top-notch equipment and set off with a specialist photographic guide in one of the new photographic safari vehicles, specially outfitted with electrical charging stations, air conditioning (to make the wait for the perfect shot more comfortable), gas-lifted, 360-degree swivel chairs with camera mounts for long-lens stability, and, of course, a fully stocked bar. www.andbeyond.com →
