

Mnemba Island Lodge *Zanzibar*

andbeyond.com

contactus@andbeyond.com

Located on a private island, and comprising only ten plush villas, the hotel offers a truly luxurious and exclusive experience. The resort is all-inclusive, including watersports; two scuba dives a day for PADI certificate holders, kayaking, snorkelling and wind-surfing. All villas have direct beach access and private beach houses with sunbeds. The private veranda areas are shaded by tropical forest. The rooms are exceptionally spacious with stunning views and detached bathrooms. Furnished with traditional and handmade furniture and linens made by local craftspeople, the rooms feel light and airy. However, what really makes a stay at Mnemba Lodge a luxury experience is the personalised and professional service offered by the friendly staff.
