andBeyond Lake Manyara Tree Lodge
Lake Manyara National Park, Tanzania

Set in the heart of a mahogany forest, andBeyond Lake Manyara Tree Lodge is the only lodge in Lake Manyara National Park. The Lodge, which was designed to exert minimal impact on the environment, is situated in the remote southwestern region of the Park. Cradled in the boughs of ancient mahogany trees, ten stilted treehouse suites are a sophisticated blend of intimacy and romance, offering privacy and exclusivity. Each treehouse suite features generous decks suspended above the forest floor and large windows to invite the lush forest inside. The bathrooms have freestanding baths with a forest view and an outdoor shower. Overlooking a forest boma (outdoor dining area), guest areas are characterised by soaring spaces. An interactive kitchen allows guests to observe the preparation of delicious Pan African food that is enjoyed in the boma, on dining decks or on private viewing decks. Breakfasts and picnics are also served on the lakeshore.

WHAT WE LOVE ABOUT ANDBETOND LAKE MANYARA TREE LODGE

- Before entering Lake Manyara National Park, be sure to stop at the Rift Valley viewpoint. Here, you can enjoy a picture-perfect view of Lake Manyara and the surrounding escarpment.

andBeyond Ngorongoro Crater Lodge

Ngorongoro Crater, Tanzania

Perched on the edge of the Crater rim, &Beyond Ngorongoro Crater Lodge’s sumptuous safari suites present breath-taking views. Inspired in design by the Maasai mud and stick manyatta (homestead), this is without doubt one of the most architecturally spectacular safari lodges in Africa. Three separate and intimate camps are reminiscent of a bygone era totalling just 30 suites in all. Steeped in romance, each stilted, handcrafted mud and thatch suite is adorned with graceful antiques and grand chandeliers. The bedroom, sitting room and ensuite bathroom boast floor-to-ceiling glass windows, overlooking the magnificent Crater below. Ensuite bathrooms, with a centerpiece of red roses, feature huge showers and chandelier-lit bathtubs. Personal butlers discreetly tend to guests’ every need, bringing tea in bed, stoking fireplaces and drawing luxurious baths. Described as “Maasai meets Versailles”, each camp has its own guest sitting and dining areas and viewing decks. The domed dining room, with its grand fireplace, turns every meal into a special occasion.

WHAT WE LOVE ABOUT ANDBEYOND NGORONGORO CRATER LODGE

• Spend an afternoon learning how to create beautiful Maasai beadwork with Papai, one of our Maasai Mamas.
• Witness the resident zebra drinking from the water tap outside of the Safari Shop - they have taught themselves to open the tap themselves!
• You absolutely have to try the Lodge’s famous fudge (our chefs will share the recipe if you like!)

Serengeti Western Corridor, Tanzania

Inspired by Tanzania’s annual Great Migration, &Beyond Grumeti Serengeti Tented Camp is situated near one of the most famous fording points used by the wildebeest as the cross the Grumeti River in an area that is home to exceptional year-round resident wildlife. Rustic yet sophisticated, the intimate tents combine hues of natural grey with accents of natural stone and bone. All ten of the tented suites look out onto the Grumeti River and its resident pods of hippo, while sliding doors open out onto shaded private decks. Stone shower towers are open to the sun and stars. Two of the tents have been designed to cater for families travelling together and share and an enclosed entrance lobby that can allow easy access between the tents while maintaining complete privacy. A dramatic boma is the setting for open-air dinners with delicious food prepared in traditional stone ovens. A rim-flow swimming pool looks out onto the banks of the river.

WHAT WE LOVE ABOUT ANDBEYOND GRUMETI SERENGETI TENTED CAMP

• Be sure to try one of the camp’s famously delicious pizzas at lunch time - as a guest once said, “The pizzas at Grumeti rival those I get at home in Naples!”

• Enjoy a leisurely lunch on the pool deck overlooking four different pods of resident hippo grunting and splashing about. This is some of the best hippo viewing in Tanzania!

• Sip a refreshing sundowner on Masira Hill. This beautiful spot overlooks two different plains of the vast Serengeti, and, on a clear day, you can even see Lake Victoria in the distance.
