Lake Manyara National Park, Tanzania

Set in the heart of a mahogany forest, andBeyond Lake Manyara Tree Lodge is the only lodge in Lake Manyara National Park. The Lodge, which was designed to exert minimal impact on the environment, is situated in the remote southwestern region of the Park. Cradled in the boughs of ancient mahogany trees, ten stilted treehouse suites are a sophisticated blend of intimacy and romance, offering privacy and exclusivity. Each treehouse suite features generous decks suspended above the forest floor and large windows to invite the lush forest inside. The bathrooms have freestanding baths with a forest view and an outdoor shower. Overlooking a forest boma (outdoor dining area), guest areas are characterised by soaring spaces. An interactive kitchen allows guests to observe the preparation of delicious Pan African food that is enjoyed in the boma, on dining decks or on private viewing decks. Breakfasts and picnics are also served on the lakeshore.

andBeyond Ngorongoro Crater Lodge

Ngorongoro Crater, Tanzania

Perched on the edge of the Crater rim, andBeyond Ngorongoro Crater Lodge’s sumptuous safari suites present breath-taking views. Inspired in design by the Maasai mud and stick manyatta (homestead), this is without doubt one of the most architecturally spectacular safari lodges in Africa. Three separate and intimate camps are reminiscent of a bygone era totalling just 30 suites in all. Steeped in romance, each stilted, handcrafted mud and thatch suite is adorned with graceful antiques and grand chandeliers. The bedroom, sitting room and ensuite bathroom boast floor-to-ceiling glass windows, overlooking the magnificent Crater below. Ensuite bathrooms, with a centerpiece of red roses, feature huge showers and chandelier-lit bathtubs. Personal butlers discreetly tend to guests’ every need, bringing tea in bed, stoking fireplaces and drawing luxurious baths. Described as “Maasai meets Versailles”, each camp has its own guest sitting and dining areas and viewing decks. The domed dining room, with its grand fireplace, turns every meal into a special occasion.

WHAT WE LOVE ABOUT ANDBEYOND NGORONGORO CRATER LODGE

- Spend an afternoon learning how to create beautiful Maasai beadwork with Papai, one of our Maasai Mamas.
- Witness the resident zebra drinking from the water tap outside of the Safari Shop - they have taught themselves to open the tap themselves!

andBeyond Mnemba Island Lodge
Zanzibar, Tanzania

andBeyond Mnemba Island offers a sheer unpretentious paradise - just ten rustic palm-frond bandas sit nestled in a tropical casuarina pine forest fringed by a white coral sand beach. Cooling ocean breezes waft in through glass-free windows that are open to the elements. A covered walkway leads to a shuttered ensuite bathroom with huge glass beaded shower. Built-in barazas on the veranda are perfect for afternoon siestas and private beach salas feature traditional Zanzibari loungers for languid hours on the beachfront. Thatched dining and sitting / bar areas have beautiful open views of the beach. Baskets of fresh fruit, fish, lobsters, crabs and prawns are sailed into Mnemba daily on traditional ngalawa outriggers. Romantic candlelit dinners are served on the beach with the waves gently lapping at one’s feet. Private beach dinners delight newlyweds and not-so newlyweds alike.

WHAT WE LOVE ABOUT ANDBEYOND MNEMBA ISLAND

- One lazy afternoon, ask one of the staff members to teach you how to play Mbao - a traditional wooden board game.
- During a full or new moon, be sure to take a walk along the beach at low tide, when the whole atoll is exposed.
- Watch turtles lay their eggs on Mnemba’s sandy shores. This happens year round, however, the laying season peaks between January and August and hatchings take place approximately two months later. This is a definite must-see!
