Giraffe Manor  
*Nairobi, Kenya*

**Day 1**

Upon arrival at Jomo Kenyatta International Airport, you will make your own way to the arrivals hall, where you will be met by your representative and driven to your accommodation, Giraffe Manor. Relax for the afternoon and enjoy your surroundings at your hotel.

Enjoy the evening at your leisure.

**Day 2**

This morning, after a delicious breakfast, an &Beyond representative will meet you, and take you to the David Sheldrick Elephant Orphanage, followed by a tour of the Giraffe Centre. A heart-warming visit to the David Sheldrick Elephant Orphanage will allow you to witness the heroic efforts of the dedicated team who rehabilitate orphaned elephant calves and other vulnerable animals. At the Giraffe Centre you will gain insight into the conservation efforts for the Rothschild giraffe, and even get to feed a giraffe. These organisations are playing a pivotal role in protecting our endangered species.

Relish the opportunity to sample local fair at a nyama choma (grilled meat) restaurant.

Meet one of the individuals who have been identified as future leaders within their communities and offered Africa Foundation bursaries to further their tertiary education, as part of the CLEF (Community Leaders Education Fund) program. Spending time with them provides insights into the challenges, successes and ambitions of the country’s youth. The CLEF programme aims to develop natural leadership potential by offering deserving students the opportunity to improve their career opportunities by studying at college or university institutions. Students are required to give back to their communities during their holidays by conducting an activity that involves and uplifts the community.

*If the students are on vacation time, we will set up a meeting on a different day in your itinerary, when you close to one of the communities where they live.*
Giraffe Manor

Nairobi, Kenya

Giraffe Manor is an elegant, personally hosted, small and exclusive hotel, famous for its resident herd of giraffe. Giraffe Manor offers a rich blend of welcoming accommodation, highly trained and friendly staff. It is the only place in the world where you can enjoy the breathtaking experience of feeding and photographing a giraffe over the breakfast table or at the front door.
Campi ya Kanzi
Chyulu Hills National Park, Kenya

Day 3
After a wholesome breakfast, you will be driven to Wilson Airport where you will fly to Campi ya Kanzi in Kuku Group Ranch, for a 2-night stay. Situated at the foot of the legendary Chyulu Hills, Ernest Hemingway’s “Green Hills of Africa,” Campi ya Kanzi has a unique commitment to community development and environmental sustainability.

Enjoy lunch at the lodge, and spend the afternoon relaxing.

In the afternoon, revel in an adventurous game drive. Chyulu is a rugged wilderness still showing signs of its volcanic origins - and boasting some of the best views of Kilimanjaro. The reserve is a rugged jumble of ancient volcanic cones and craters, as well as the longest lava tube in the world. In addition to the breath-taking landscapes and views, Chyulu is home to a wonderful selection of game, including buffalo, antelope, elephant, leopard, wildebeest and zebra. The bird watchers’ paradise of Lake Jipe lies in the south-west corner of the reserve.

Tonight, tuck into a delicious dinner at the lodge, swopping stories of your adventures so far.

Day 4
After breakfast, head off to experience a day with the Maasai from the Maasai Wilderness Conservation Trust. Conserving culture and wildlife initiated in the greater Amboseli ecosystem, they work together with Maasai communities to protect biodiversity through conservation efforts. The world increasingly relies on many traditional communities like the Maasai to protect the ecological treasures that exist within the land that they own. This is a wonderful opportunity to meaningfully engage with this proud tribe, robed in vibrant red shukas, and understand participative conservation and a model of success in East Africa.

Afterwards, enjoy a picnic lunch out in the conservancy.

In the afternoon strap on your boots and enjoy a fascinating walk with a Maasai tracker. After this enlightening experience, sip on sundowners at a scenic spot.

Tonight, you enjoy another wholesome meal at the camp.

Day 5
Today, you will have the opportunity to choose your day’s adventure. Take a walk through the cloud forest in Chyulu Hills, embark on a horseback safari on the group ranch or simply take a game drive. The day is yours to enjoy.
Campi ya Kanzi

Chyulu Hills National Park, Kenya

The superb Campi Ya Kanzi eco-lodge is tucked away in a pristine, Maasai-owned private game reserve. Here, guests can expect a profound Maasai cultural experience and outstanding service. Tented cottages and suites offer fantastic views of Mt Kilimanjaro, the Tsavo Hills and the Chyulu Hills. They boast comfy twin or king-sized beds, spacious ensuite bathrooms and private verandas.

Hearty Italian food (think homemade pasta, risotto and gelato) is accompanied by a wonderful selection of South African and Italian wines, and served in the welcoming Tembo House. Guests can sip on a sundowner and spy on game from the sitting room, which overlooks a nearby waterhole. Adventures include Maasai-guided walking safaris, game drives in open 4x4 safari vehicles, day excursions to Tsavo National Park or afternoons spent at the Maasai Wilderness Conservation Trust.

WHAT WE LOVE ABOUT CAMPI YA KANZI

- Experience the thrill of tracking game on foot with the Maasai!
- Unwind on your private veranda with a refreshing sundowner, watching wildlife interact at a nearby waterhole.
- Ask your hosts about the forest walk or a picturesque picnic in the Chyulu Hills.
Expect the extraordinary

Elewana Lewa Safari Camp
Lewa Conservancy, Kenya

Day 6
After a tasty breakfast, you will be collected for your flight to the Lewa Downs Conservancy, via Nairobi, for your stay at Lewa Safari Camp.

Upon landing, delight in a superb lunch at the camp, and enjoy a game drive on the conservancy. Impressive game drives showcase the region's impressive variety and density of wildlife, and keen birdwatchers can look forward to the sight and sound of close to 350 colourful bird species.

Tonight, enjoy dinner at the lodge sharing your thrilling sightings.

Day 7
After breakfast, spend the morning with the conservation team, learning how the conservancy model has worked to protect wildlife and empower communities in Kenya.

Or

Choose to head to the Ol Pejeta Sanctuary for the day. Set on the Ol Pejeta Conservancy, this refuge works to protect its distinct habitats, including a wildlife corridor along the northern boundary of the conservancy. The Sweetwaters Chimpanzee Sanctuary was established with an agreement between the Ol Pejeta Conservancy, the Kenya Wildlife Service (KWS) and the Jane Goodall Institute. The aim is to provide lifelong refuge to orphaned and abused chimpanzees from West and Central Africa. Over the last decade, Sweetwaters Chimpanzee Sanctuary has been compelled to keep accepting chimpanzees rescued from traumatic situations. You will also see the Big Five and both the endangered black and white rhino, as well as the threatened Jackson’s hartebeests and Grevy’s zebras. The conservancy is home to the largest black rhino sanctuary in East Africa.

In the evening, savour a delicious dinner at the camp.

Day 8
Today, you will have the opportunity to simply unwind or explore the Lewa Conservancy on horseback, on a game drive or a nature walk.
Expect the extraordinary

Elewana Lewa Safari Camp

*Lewa Conservancy, Kenya*

Lewa Safari Camp is set on the privately-owned Lewa Wildlife Conservancy; home to a diverse array of wildlife and some of Kenya’s most spectacular scenery. The guest areas overlook a popular waterhole and include a dining room, library, bar and an inviting sitting area with a fireplace. The camp also boasts a swimming pool, hide and boutique shop.

Guests are treated to delicious wholesome meals, prepared with the freshest local produce. Adventures include day and night game drives, nature walks, flying safaris, horseriding, fly-fishing trips to Mt Kenya and visits to cultural villages and archaeological sites. **WHAT WE LOVE ABOUT LEWA SAFARI CAMP**

- Delight in a tranquil horseback safari spotting plains game along the way.
- Ask your ranger to take you to the prehistoric archaeological site on the conservancy where rough-hewn Acheulian hand axes dating back half a million years are scattered on the ground.
- After an exhilarating game drive, treat yourself to a pampering massage.
Day 9

After topping up your energy levels with a delicious breakfast, you will be collected for your flight to the Masai Mara, where you will land on the Kichwa Tembo Airstrip. From here, you will be collected by an &Beyond guide who will take you on a short game drive to &Beyond Bateleur Camp.

After tucking into a scrumptious lunch at the camp, you will have the opportunity to freshen up and settle in before enjoying an afternoon game drive.

Day 10

At breakfast, you will have the opportunity to meet the Programme Manager from Africa Foundation, &Beyond’s community development partner, who will be your host for today’s cultural and community excursions. You will be quickly briefed on the work that &Beyond and the Africa Foundation are doing with communities in the area.

Your day’s exploration starts with a traditional Maasai community visit. This cultural excursion will immerse you in the fascinating ancestry of these dignified people. At the Maasai village, called a manyatta, you will have the opportunity to meet with a Maasai family, and visit a traditional boma made of cow dung and clay plastered over stick frames. It is an extraordinary reality how the Maasai still live side by side with wildlife on the peripheries of unfenced wildlife areas.

Following this captivating experience, you will be taken to visit schools and water projects where the Africa Foundation has worked closely with the community to improve education and access to water. Meet teachers and community members, and gain a deeper understanding of the focus areas and needs that have been identified by the community.

Afterwards, enjoy a picnic lunch in the community.

Day 11

This is your day to unwind and relax, enjoy a game drive, quietly read a book on your veranda or go for a guided nature walk in the morning or afternoon.

Day 12

Today, we wave a fond farewell as you are collected for your flight back to Nairobi for your international flight onward. A member from our andBeyond team will collect you from Wilson Airport [WIL] and drive you to Jomo Kenyatta International Airport [NBO] for your departure.
